

## The Risk and Waiver of Liability Relating to Coronavirus/COVID- 19

The novel coronavirus, COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

MBA Foundation and MBA Programs has put in place preventive measures to reduce the spread of COVID-19; however, MBA cannot guarantee that you will not become infected with COVID-19. Further, attending MBA could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending the MBA and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the MBA may result from the actions, omissions, or negligence of myself and others, including, but not limited to, MBA employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expenses, of any kind that I may experience or incur in connection with my attendance at the MBA or participation in the MBA programming ("Claims"). On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless the MBA Foundation, MBA Programs, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the MBA, its employees, agents, directors, Board, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any MBA programs.
